

✓

This is a vertical, high-contrast, black and white image. It appears to be a scan of a textured surface, possibly a book binding or a piece of wood. The image is characterized by a dark, irregular shape on the left side, which could be a shadow or a part of the object being scanned. The rest of the image is mostly white with some vertical lines and noise, suggesting a scan of a light-colored surface.

returned to receive it." In the course
 of an account of the recent looting
